Simone Weil and Theology (Philosophy and Theology)

A. Rebecca Rozelle-Stone, Lucian Stone

Simone Weil and Theology (Philosophy and Theology) A. Rebecca Rozelle-Stone, Lucian Stone

Simone Weil – philosopher, religious thinker, mystic, social/political activist – is notoriously difficult to categorize, since her life and writings challenge traditional academic boundaries. As many scholars have recognized, she set out few, if any, systematic theories, especially when it came to religious ideas. In this book, A. Rebecca Rozelle-Stone and Lucian Stone illuminate the ways in which Weil stands outside Western theological tradition by her use of paradox to resist the clamoring for greater degrees of certainty. Beyond a facile fallibilism, Simone Weil's ideas about the super-natural, love, Christianity, and spiritual action, and indeed, her seeming endorsement of a sort of atheism, detachment, foolishness, and passivity, begin to unravel old assumptions about what it is to encounter the divine.
